

Be a Home Water Hero!

Turning off the water when you brush your teeth is a great way to save water – how many times can your family do it this week? Hang this chart up in your most used bathroom. Each day, draw a tally mark each time someone turns off the water when they brush their teeth. Then, total up the marks and multiply by four to find out how much you saved this week!

	Tally Mark	Total Number	Gallons Saved	
Monday			x4	
Tuesday			x4	
Wednesday			x4	
Thursday			x4	
Friday			x4	
Saturday			x4	
Sunday			x4	

Go Deeper!

Make a fun poster to remind your family to save water every day! Put it next to this chart in your most used bathroom.
