

Math Message

You can follow this electrical safety rule when you are in the bathroom or the kitchen. Do the math and fill in the spaces below to discover Sully's safety rule. Read the sentence out loud once you have completed it.

$$5 + 3 = \boxed{} \text{ AND}$$

$$12 - 2 = \boxed{} \text{ WATER}$$

$$9 \div 3 = \boxed{} \text{ NOT}$$

$$7 + 4 = \boxed{} \text{ DO}$$

$$6 \times 1 = \boxed{} \text{ MIX}$$

$$8 - 7 = \boxed{} \text{ ELECTRICITY}$$
