

Promise to Save!

★ ONCE UPON
A FLAME ★

Saving natural gas is easier when everyone works together! Take these pledge cards home and ask an adult to help you cut them out. Then, ask each member of your family to read the pledge aloud and sign a card. Keep your pledge card in a special place as a reminder of your promise to save natural gas!

I, _____,
promise to do my part to save
natural gas in my home.

I will:

Turn down the
temperature on my
water heater

Only do full loads of
dishes and laundry

Use a programmable
thermostat to change
the temperature
when I'm not home

**By doing all these things,
I know I am making the
world a better place!**
